GMAS 2.0 Summer (July) Release

July 2015

Understanding the Summer 2015 Release

- The Summer release will be on **July 27, 2015**
- This release will include 24 converted GMAS pages
- Some pages will also be retired from GMAS since their functions will be performed on converted pages
- Updated Modules:
 - Accounts
 - Sub agreements
 - Notices
 - Financial award information
 - Action memo list

With only 24 of the more than 350 GMAS pages included in this release, users are likely to experience changes between the old and new pages for some time.

Description Main 1 Year Y1-3
 Status Active Dates Sep 15, 2010 - Jan 31, 2015
 Type Main

Account financials as of Jun 23, 2015

Funds allocated	\$1,625,333
Expended	\$1,626,368.92
Funds available	(\$1,035.92)
Income	(\$1,626,368.92) (includes \$0 from interest)
Non-operating transfers	\$0
Cash deficit/(surplus)	\$0
Final figure	\$0 Edit
Underspent/(overspent)	(\$1,626,368.92)

Future GMAS Page Design

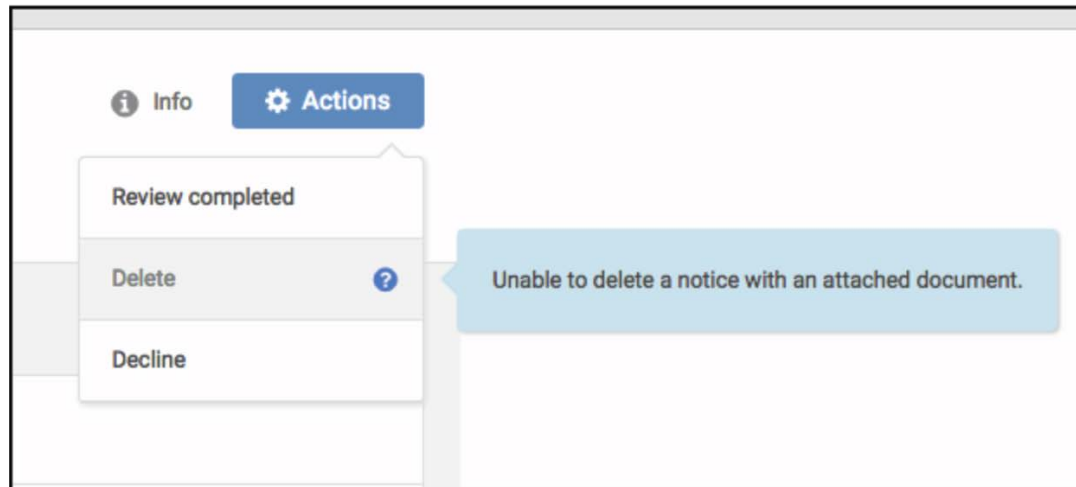

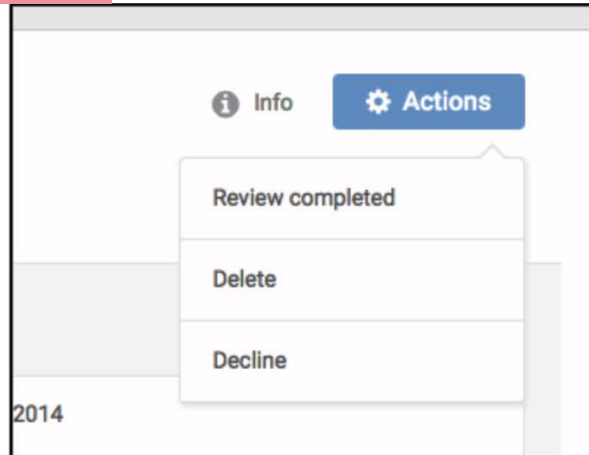

Building Sustainable System Features

- **Contextual Help/ Tool Tips** – Additional information by hovering over fields with question mark icons
- **Breadcrumbs** –Tracks user location in the system
- **Project Snapshot** – Key project information (account number, description, principal investigator, dates and status) at the top of page
- **Collapsed Actions** – Actions collapse when there is more than one action to take
- **Available Actions** – Actions user can take are in blue font and those not allowed provide reasoning
- **Date Calendar** – Pick dates from a date calendar
- **Page View** – wider pages that fit the page
- **Relocated Actions** – To-do's, documents, and portfolio included in drop down under the user's name
- **Related Links and Information** – Page related links that open separate pages, information panels with longer help content.
- **Condensed GMAS Header** – GMAS header providing links to projects, people and organization

There are four possible statuses for a notice. Below is the list of those statuses, their definition, and the potential actions that can be taken on the notice when in those statuses.

Under review: The notice has been received by Harvard, and the central office is in the process of reviewing the terms and conditions.
 Actions available when the notice is in this status:

- Review complete
- Decline
- Delete

Reviewed: The notice has been received by Harvard, and the terms and conditions have been accepted by the central office.
 Actions available when the notice is in this status:

- Make revision (this is the action that generates an action memo)
- Delete

Reviewed and applied: The notice has been received by Harvard, the terms and conditions have been accepted by the central office, and the notice has now been applied to the project (an action memo has been generated from this notice).
 Actions available when the notice is in this status:

- Make revision (this is the action that generates an action memo)

Declined: The notice has been received by Harvard, and the terms and conditions have been declined by the central office.
 Actions available when the notice is in this status:

- Delete

Related Links

The screenshot shows a user interface with a 'Comments (0)' section and a 'Related links' dropdown menu. The dropdown menu is open, displaying a list of six links, each with an external link icon. The second link, 'GMAS Glossary', is highlighted with a grey background. The interface also features a table with several empty rows on the left side.
