

Grants administrators spend much of their time in the **Segment Homepage** which is also known as the GRANT, the AWARD or the FUND. Detailed and summary information about sponsor notices, subcontracts, financials, reports due to the sponsor and more is available from the **Segment Homepage**. Clicking anywhere there is **red text** will take you to more detailed information. Click on the **Open** buttons on the right to expand and see summary information about each component.

1. Segments/Funds for this grant. The one you are in is black text; the red text links to other funds.

2. Segment status:  
**Pending:** Proposal stage. Drill-down into **Requests** to see the proposal  
**Active:** Awarded  
**Closed:** Awarded and closed out  
**Not funded:** never funded

3. Identifying information about the project segment.

4. Information noted by users about the segment that are not captured in the existing data fields.

5. Used to provide a summary of the project work for use in reporting

6. High-level dollars by account or budget period. Income, expense and budget updates from the General Ledger (GL) each night.

7. Details for all accounts in this fund. Drill-down into mini-PER or detail listing, or **Download this page** for Excel manipulation.

8. Subagreements\*

9. Proposals and internal requests, e.g., at risk\*

10. Notice of Grant Awards\*

11. Research staff – level of detail varies

12. Approvals generated

13. Approvals status and details\*

14. Cost shared amounts

15. Sponsor financial contacts

16. Payments due and received (for non-federal awards only; federal payments are managed separately through Letter of Credit system)

17. Financial reports reminders; copies of submitted reports in #19

18. Non-financial reports reminders

19. General document repository for fund - correspondence, reports, pre-GMAS documents from OSP, etc.\*

20. Action memos

21. View and download all grant documents from here\*

22. Administrators on this grant. Select a name for contact information.

23. Special equipment terms

24. Timeline of grant events in GMAS. Drill-down to see details like who created a request and navigate to it.

25. To-dos for this grant.
